### Key Activities/paperwork for : Help Me Grow

The following documents and activities would support a seamless transition from Help Me Grow to preschool.

District process:

- The district would like to know about children in their district as early as possible.

Summer birthdays, November and December birthdays are especially important to know early.

- The transition meeting and intake/referral for evaluation may be completed at one time. Deb Miller is available to go on a home visit with the service coordinator.
  - The MFE/IEP are usually completed at one meeting if the child is eligible for services
- Paperwork needed:
- Complete identifying information: Child/Parents Names, address, date of birth, phone number
  - Copies of any medical reports from physicians and private therapists available for the school district
  - IFSP review, initial evaluation through Help Me Grow
  - Summary of child's development, summary statement of child's strengths and needs by domain, current HELP
  - Parent will need proof of residency, birth certificate, social security card
